ECODESIGNS NORTHWEST ARTIFACT REPLICA JEWELRY:
gallery and mail order prices

Hi, I'm Daniel Leen and I sell jewelry and related Northwest Coast art at Seattle's Pike Place Market. If you have this mail order form, you probably also have the brochure that tells a little bit about each design and how I make them. If not, you can always write, call, or email me for more information. I can accept credit cards at the market, but by mail you should send a check. ***I always recommend that you email me***, so I can confirm that I can do it. Then I can usually have the piece(s) ready to mail by the time the check arrives.

Please make checks payable to:
